

Join the *Prevention Network* at CDE

What is the *Prevention Network*?

The *Prevention Network* is sponsored by the Prevention Initiatives Unit at the Colorado Department of Education. The purpose of the network is to collaborate with districts and communities to reduce student dropout and promote reengagement of out-of-school children and youth. This network is coordinated by the new “Dropout Prevention and Student Reengagement Effort” at CDE. This effort is funded by the American Recovery and Reinvestment Act (ARRA) State Fiscal Stabilization funds from the Governor’s Office.

Why Join?

- Membership is FREE!
- Receive e-mail alerts on best practices
- Participate in free or low cost webinars and training.
- Network with other districts and schools
- Lead educational reform regarding student drop out and reengagement.

How Do I Join?

To join, please fill out the form (on the other side) and leave it at the registration table. You may also fax the form to CDE, Attn: Student Dropout Prevention at (303) 866-6785. For more information email Angela Zimmerman, Senior Consultant – zimmerman_a@cde.state.co.us.

Please check the following statements that best describe your current efforts in preventing student dropout. We will use this information to help focus efforts of the *Prevention Network*.

- We are aware of our district's statistics on dropout and/or graduation rates.
- We are aware of our district's statistics on reengagement of out-of-school youth.
- We are aware of the best practices on preventing student dropout.
- We are implementing a dropout prevention plan within our district and would be willing to share what is working for us.
- We would be interested in networking with districts that are currently engaging in best practices regarding student dropout.
- We know what community resources are available to help reduce student dropout and increase graduation rates.

Please explain your district's needs regarding dropout prevention and reengagement:
